

BROCKLEY SOCIETY

Breakspears Mews Open Day Saturday 9 April, 10.30am-1pm Ashby Road entrance

Brockley Society is campaigning to improve all five mews in the conservation area in a five-year regeneration project called *Reclaim the Mews*. Our survey last year revealed the top three preferences as maintaining open space as a nature reserve, allowing access to residents' garages and encouraging more craft activities.

The mews are unique and each has different needs, problems and potential. Starting with Breakspears Mews, southern section, this open day is to explore how the community – residents and businesses – can collaborate to make this special place more community friendly, pleasant and accessible.

Come and discuss what could be done. Bring your ideas!

Suggestions so far: Allotments – May Day party – Easter Egg hunt – Big Lunch – car boot sales – wild flower planting – nature reserve

*We are cooperating with Lewisham Council, Regenter B3,
residents and businesses in the mews*

Displays, light refreshments. Children and dogs welcome
